

# Where Girls Create Their Own Adventures!

## **Welcome to Camp SOAR – the newest way to camp at Girl Scouts of Central Illinois!**

Imagine waking up on a hot summer morning in your air-conditioned cabin or bunkhouse, ready to design your own day by choosing from a variety of Camp SOAR activities. From swimming to fishing, paddleboats, or yoga--at Camp SOAR, a girl's summer belongs to her!

At Girl Scouts of Central Illinois, we believe in a world where girls choose their own path. We're excited to give campers the opportunity to express themselves by designing their own camp experiences. After registering for their week(s) of camp, girls will receive a Camper's Choice packet. Using this packet, girls will pick their top three choices of activities and, once parent-approved, return the completed packet to the Camp Director. Campers' personalized schedules will be given to them upon arrival at camp.

Scott Outdoor Adventure Retreat and Campground (Camp SOAR) is our newest property available for use by not only our Girl Scout members, but the public as well. We are thrilled to kick off our first summer at Camp SOAR by offering six full weeks of resident camp with campers enjoying the many amenities featured at this facility, including; four ponds, canoes, paddle boats, hiking trails, teen activity center, mini-golf, and swimming pool to say nothing of the climate-controlled sleeping arrangements in the mini-cabins and Whitworth House. And yes, we encourage you to stay connected to your camper while they are at Camp SOAR as personal electronic devices will be allowed during designated times. Camp SOAR also will be hosting some of our seasonal RV campers during the same time frame as resident camp, but rest assured we have worked hard to ensure the safety of our campers. All seasonal campers aged 18 and over will be background checked and the entrance gate will be locked with admittance allowed only via key card. Additionally all seasonal campers are aware of the timing of Girl Scout Resident Camp and agree to abide by the safety rules we outlined in their contract. We think you will agree that this newest camp property is the next best thing in Girl Scout camping!
